

JLBB MM AT THE SCHOOL - November 23, 2009

We had An Awesome Time at the school with the learning disabled children. It was a beautiful day...and...alas...Rikki Howland went with me...we were a great team..and we had a ball with those kids. They were waiting outside for us when we rode up...we made plenty of noise, revving and honking...and hollering great hellos...it was funny and fun! We said our howdies and introduced the Jesus Lovin Biker Bear (dog) which they loved...it sang "Born to be Wild"...then we dressed the kids up in our vests, doorags helmets, and gloves...talking about motorcycle safety and such...and what our ministry does. Then they all got their pics on our bikes...they were soooooo cute...my heart aches to be back with them just looking at the pictures...how I thank the Lord for the opportunitites He has given...! Welllll...then I got out my mini-Martin backpacker guitar and played them a coupla songs...Rikki got them clapping and they tried to sing along - they loved that too. Then we gave them a bunch of little mc safety stuff, and posters....and off they went - running late for their next class...! And off we went...so happy we had come.

A cool event: Rikki and I went out to lunch at La Casona...then...how cool is this....of course I brought my little guitar in (couldn't leave it outside)...and the waiters wanted me to sing them some songs...so...in my shy little way (hahahahahahahhohohohoho)...I said OKAY...I'll sing for Jesus ANY TIME, ANY WHERE...and got to sing Jesus in the middle of the restaurant...Isn't God just cooleo !?!?!?!? What a wonderful day...then we went to petsmart and Rikki got a.....little tiny gecko looking dragon !!!!!!!!!!!!! That was our day...a great day...a wonderful day. Thank you for your prayers, and thank you for the encouraging words, and thank you for wanting to come ... wish you could have been there.

Much love to you all!... Joan - JLBB MM !
